

Sweet & Sour Private Label & Co-Packing

Sweet & Sour

Your jams and ice cream sauces are in good hands at Spitz.

Besides sweet and fruity delicacies, Spitz is also an expert on **ketchup, mustard, mayonnaise, vinegar, salad dressings and a wide range of sauces.** Each and every product is treated with the utmost care and subjected to multi-stage quality controls: such as metal and x-ray detectors – which are capable of detecting even the tiniest of foreign objects.

A great variety of packaging types, ranging from aluminum tubes and PET bottles to glass jars, glass bottles, pouches, cups and tubs with a wide range of fill volumes gives Spitz the **flexibility to match your needs.**

Information given is subject to change due to technical improvements.

Spitz: Your competent and reliable partner in Private Label and Co-Packing

For more than 150 years, the recipe for success at Austria's long-established Spitz Company has been **high quality raw materials, selected fruits and the greatest care in manufacturing.**

Since its formation in 1857, Spitz has been producing food and beverages that are held in high esteem worldwide. Nowadays, more than **1.2 million products depart the production facilities in Attnang-Puchheim every single day** on their way to the tables of consumers and restaurants alike.

The extremely varied product portfolio enables synergies to be leveraged in many areas – such as logistics, purchasing or research and development. Spitz's ability to maintain superior flexibility across all areas of business makes the company the partner of choice for Private Label and Co-Packing. Lea-

ding customers both in Austria and abroad put their trust in Spitz's expertise and experience.

Spitz puts great emphasis on **professional support and innovation power** implementing your product concepts according to the needs of your consumers as rapidly and efficiently as possible. Optimum resource management and a constant focus on processes ensure that workflows run smoothly, generating end products of high quality valued by customers in **over 40 countries worldwide.**

Long-standing experience, comprehensive know-how, top quality and maximum flexibility. All these reasons plus excellent value for money make Spitz a highly attractive partner for Private Label and Co-Packing.
