

# RSPO Certificate

Based on an audit according to the requirements stated in the RSPO Supply Chain Certification Systems, version 2, Feb 2020, and a signed contract, BM Certification herewith certifies that the site(s) listed below are found to be in compliance with the RSPO Supply Chain Certification Standard, version 2, Feb 2020. This guarantees that the criteria for processing RSPO certified oil palm products through one (1) or more of the supply chain models as stated in the RSPO Supply Chain Certification Systems have been met.

This single-site certificate is issued to:
